About our speaker...

Hello! My name is Mel, and I am so delighted to be joining you all in October for the "Getaway" I just feel in my bones that God is going to do something very precious in that 24 hours!

I have been a nurse most of my life, although for the past 13 years have worked as a Lay Pastor in the local Methodist Church but by October I will be a retired lady! A whole new chapter!

I am married to John (now that's a real true-life Ruth/Boaz love story), and between us, we have 5 grown-up children and 8 beautiful grandchildren the joy of our lives!

I am passionate about helping folks connect more deeply with God and seeing lives transformed and I have a particular love for women's ministry, especially in areas of health and well-being, living the "abundant life" Jesus called us to.

I love nature (ask me about our upcoming adventure!!), walking, drinking coffee and generally living my best life!

I feel so humbled and excited to be coming to meet you all and share with you.

Blessings,

Mel xxx

Our aim for the getaway is to bring members and friends together. Give each other support, connect with old friends and make new friends. Taking "time out" full of fun and fellowship in a relaxed way.

"to comfort all who mourn, and provide for all who grieve in Zion...to bestow on them a crown of beauty for ashes,

The oil of joy instead of mourning , and a garment of praise instead of a spirit of despair"

Isaiah 62 v 3
